

Etlund New! EDL-10 Heavy Duty Digital Scale

Patent Pending

10 lbs. x 0.1 oz.

10 lbs. x 0.005 lbs.

10 lbs. x 1/8 oz.

5000g x 1g

160 oz. x 0.05 oz.

160 oz. x 1/8 oz.

Absolute accuracy. Any weigh you look at it.

- Built-in rechargeable battery pack
- The industry's most customizable scale
- Optional RS232 output available
- Six capacity display options: 10 lbs. x 0.1 oz. / 10 lbs. x 0.005 lbs. / 10 lbs. x 1/8 oz. / 5000g x 1g / 160 oz. x 0.05 oz. / 160 oz. x 1/8 oz.
- Most finite readout in the industry at 1g at full capacity
- Programmable capability enables users to select length of time for battery-save feature, change gravity settings, and turn off any of the weighing modes to reduce confusion
- 6" x 6 3/4" one-piece platform with splashguard washers for excellent corrosion protection
- Adjustable leveling feet with bull's-eye level (under platform)
- All stainless steel body
- Dual Housing Technology™ provides moisture resistance to prevent corrosion
- Power jack plug provides protection against corrosion when batteries are used
- Scale Within a Scale™ design helps protect internal components against damage due to accidental shock
- CUL/UL/CE approved dual voltage AC power supply included; also operates on 4 AA batteries (not included)
- Field recalibratable (with optional calibration weight)
- Large, easy-to-read LCD display
- NSF Certified
