

Edlund E-160 Multipurpose Digital Scale

Our new E-160 has a 160 oz. (10lb.) x 0.1 oz. capacity and offers optional platforms for accurate digital read-outs of products that are often difficult to weigh. The metric conversion offers a graduation of one gram through the full range of weighing making it ideal for dietetic needs, and the E-818 offers fractional graduations as finite as $\frac{1}{8}$ oz. It's the smartest, easiest, most affordable way to portion anything from tacos, to ice cream cones, to extra large subs.

- Removable stainless steel standard platform with three additional platform options available (see back)
- Faster read-out for high volume portioning
- Large LCD read-out for consistently accurate readings
- Easy view grams/ounces indicator prevents portioning errors
- Rugged, high impact-resistant case
- NSF Certified
- Model E-818 with 80 oz. (5 lb.) x $\frac{1}{8}$ oz. fractional readout also available

Our new model E-160 is the perfect scale
