Gain 30% More Floor Space

Compact Design with Uncompromised Capacity

Store more caddies and dishes in the same space or keep the same quantity of caddies/dishes and free up valuable space for other uses.

360° Maneuvering

Compact square design, open sides and all swivel casters speeds up loading and unloading and makes it easier to move in and out of tight storage areas.

“My first thought was... how Cambro did it again by keeping the essential versatility of the configuration aspect of the dish caddy but made it smaller and amazingly easy to maneuver, making it a must for any culinary operation.”

— Ben LaFleche, Executive Chef
Hilton Hotel, Huntington Beach, CA
